### **Funding Announced - 2017 Community Building Partnership Program**

The Wagga Wagga electorate has secured grant funding of \$300,000 for a total of 13 projects as part of the NSW Government's 2017 Community Building Partnership (CBP) program.

The NSW Government has committed funds to new community infrastructure projects that will enhance much needed local facilities.

Daryl Maguire MP, Local Member for Wagga Wagga said he was pleased to receive this State Government funding.

The funding will aim to create more vibrant and inclusive communities and deliver positive social, environmental and recreational outcomes.

Some of the key projects which successfully secured funding include:

The Rock Regional Observatory will be using funds for the construction of a research and teaching astronomical observatory, six new portable goals for Rawlings Park, and a new roof for the Leisure Company's new building.

'This grassroots funding will directly benefit our community and deliver vital new infrastructure.'

'It will help pay for much-needed improvements to the kitchen at The Rock Memorial Bowling Club, irrigation, turf and permanent fencing at McDonalds park for Wagga Rugby Club, and new goal posts for The Rock Yerong Creek Football/Netball club'.

Mr Maguire congratulates all those organisations that were successful in their application and is pleased this funding will help community groups make a positive difference in the local area.
